

**FAQ practice manager and team,**

We are Network Locum; a team of young, vibrant individuals who are improving the way you find local GPs. It's very simple to use - In a few clicks you can find locums in your area, choose your rates and ensure you never need to use an agency again.

Join the rapidly growing community of practice managers who signed up for free and are all benefitting from the service...

“ The NL website is so easy to use and it's reassuring knowing I have a friendly team on the other end of the phone ”

Debbie - Practice Manager in Shepherd's Bush

“ It's much easier managing my rota and I find it super useful being able to download the GPs documents at the click of a button ”

Anne - Practice manager in Camden

“ I can find work on the go simply by updating my availability on the site. NL has changed the way I work for the better ”

Robert - GP in Hackney
